

The Ayyavazhi Research Centre (ARC)

Foundation of the Ayyavazhi Research Centre (ARC)

The foundation stone of the **Ayyavazhi Research Centre (ARC)** was graciously laid by **His Excellency, the Honourable Governor of Tamil Nadu, Shri R. N. Ravi**, on "**12th December 2024**", at a solemn ceremony held at "**Thamaraikulam Pathi Guru Parambarai Trust Campus**", Kanyakumari District.

The "**Ayyavazhi Research Centre**" is serving as a dedicated hub for the study, preservation, and promotion of the Ayyavazhi faith and philosophy. This historic occasion marked a significant

milestone in the spiritual and academic journey of Ayyavazhi, symbolizing the union of divine vision and scholarly pursuit under the blessings of "**Ayya Vaikundar**" and the gracious presence of the "Honourable Governor of Tamil Nadu".

The **ARC** is a spiritual and academic institution devoted to the study, preservation, and propagation of the **Ayyavazhi faith and philosophy**. The Centre focuses on in-depth research into the **Holy Ahilathirattu Ammanai** and other sacred scriptures that reveal the divine teachings of **Ayya Vaikundar**. ARC extends comprehensive support and resources to researchers, writers, and students undertaking studies related to Ayyavazhi theology, philosophy, and tradition. It strives to preserve and promote the divine teachings and worship practices revealed by Ayya Vaikundar, ensuring their transmission to future generations.

In addition to its academic pursuits, ARC organizes devotional programs, cultural initiatives, and educational events to strengthen unity among devotees and foster spiritual awareness. The Centre is also dedicated to collecting, preserving, and digitizing all available works related to Ayyavazhi—including spiritual, cultural, artistic, and scientific literature—to establish a comprehensive knowledge hub for scholars worldwide.

By harmonizing research with devotion, the Ayyavazhi Research Centre serves as a **lighthouse of divine wisdom**, spreading the eternal message of Ayya Vaikundar across the globe. Its mission is to advance the **vision of Ayya Vaikundar** —guiding humanity toward "**Dharma, equality, and spiritual upliftment**". Through training programs, workshops, and international conferences, ARC nurtures future researchers and scholars while creating a global platform for the exchange of knowledge and devotion centered on Ayya Vaikundar and Ayyavazhi traditions.
